Estate Features

With design controls in place and surrounded by established prestige homes, The Darling is engineered to ensure each home complements the estate's natural beauty and value proposition.

- Premium 52-lot subdivision with sizing from 500m² - 800 m² lots.
- Protected by architectural building covenants to ensure streetscape quality.
- Elevated topography to capture natural light, breezes, and views.
- Thoughtfully designed lot layout promoting privacy, access, and solar orientation.
- Titled and builder-ready land to fast-track build programs.
- Fully serviced with underground power, NBN, water, and sewer

Design Vision & Community Character

The design vision reflects Toowoomba's grand homes and gardens, while offering buyers the flexibility to build modern, bespoke dwellings in harmony with the natural landscape.

- Elegant street presence through articulated façades and high-pitched roofing
- Premium landscaping and fencing standards to soften visual impact
- Retaining wall and colour schemes to ensure cohesive streetscapes
- Prohibition of low-quality or repetitive design elements

The Darling is a neighbourhood created to enhance its surroundings — not just another development, but a curated community where design matters. A detailed Building Covenant guides architectural style, materials, fencing, landscaping, and street appeal to ensure a cohesive, high-end aesthetic.

A rare kind of closeness

The Darling represents a high-demand, low-supply opportunity in Toowoomba's strongest-performing residential corridor.

- Middle Ridge has one of Toowoomba's highest median property values
- Strong resale history and high owner-occupier market
- Limited remaining land supply with high architectural standards in place
- Ideal for custom home builders, owner-occupiers, and investors
- Competitive build costs due to flat, generous lots with minimal site works
- Long-term capital growth prospects in a tightly held, blue-chip location

This is a project that will attract quality buyers and build-to-live purchasers seeking legacy homes in a timeless community.

Frequently *Asked Questions*

ARE THERE ANY DESIGN RESTRICTIONS?

Yes. The estate is governed by a Building & Design Covenant to ensure a consistent, high-quality outcome. Design elements such as roof pitch, façade finishes, fencing, and landscaping are regulated. Buyers must submit plans for approval before construction.

CAN BUYERS CHOOSE THEIR OWN BUILDER?

Yes. Buyers may engage any registered builder provided their design complies with the Building Covenant and is approved by the Design Review Panel (DRP).

ARE DUAL OCCUPANCIES PERMITTED?

Dual occupancies may be permitted on certain lots (subject to council approval and DRP review). Minimum design standards, including higher roof pitches, apply.

WHEN WILL TITLES BE AVAILABLE?

All lots will be registered and builder-ready prior to settlement. Agent can provide updates on timing.

IS FENCING INCLUDED?

No. Buyers are responsible for fencing, which must comply with covenant requirements. Shared fencing costs are not covered by the developer.

IS NBN AVAILABLE?

Yes. All lots will be NBN-ready and serviced.

ARE THERE ANY ADDITIONAL LEVIES OR BODY CORPORATE FEES?

No. The estate operates under freehold title. There are no body corporate or community title levies.

CAN BUYERS INSTALL SHEDS, POOLS, OR SOLAR PANELS?

Yes, but all structures must comply with covenant standards. Sheds must match the dwelling's colour and style. Pools and solar panels must be appropriately sited and not visible from the street where possible.
